

# Week 2

## Identifying the skills you want to learn & master

This week, we're taking the FUTURE YOU and bringing her (or him!) into the present! In Week #1's worksheet you wrote down all of the qualities that your future self has, from how you speak, what you do and how you dress. Use those details as your jumping off point in this week's prompts.

### Future Self Vision

Example #1: Leads a team of people

Example #2: Financial Freedom

### Traits of the Vision

Inspiring, doesn't shy away from tough conversations, influences others

Saves more than spends, has 6-months worth of salary saved, abundance mindset

### Specific Skill Needed

**Become a strong storyteller**

**Learn how to set & keep a budget**

# Week 2

## Identifying the skills you want to learn & master

This week, we're taking the **FUTURE YOU** and bringing her (or him!) into the present! In Week #1's worksheet you wrote down all of the qualities that your future self has, from how you speak, what you do and how you dress. Use those details as your jumping off point in this week's prompts.
